

Professor Gilberto K. K. Leung is a Clinical Professor, academic neurosurgeon, and holder of the endowed Tsang Wing-hing Professorship in Clinical Neuroscience at The University of Hong Kong (HKU). He graduated from the Medical College of St. Bartholomew's Hospital, University of London in 1992 with M.B.B.S. and Intercalated BSc in Physical Anthropology. During his surgical training in the UK, US and Hong Kong, he was awarded the Hallett Gold Medal by the Royal College of Surgeons of England and the J. Douglas Miller Medal in Neurosurgery by the Royal College of Surgeons of Edinburgh. He joined HKU in 2005 where he obtained two doctorate degrees of MS and a PhD. He also holds a Master of Laws (LLM) degree in Medical Law and Ethics from the University of Edinburgh with Distinction and the School of Law's McLagan Prize for Best Graduate.

He currently serves as the Vice-President of the Hong Kong Academy of Medicine, and the Chairman of the Academy's Education and Examination Committee. He is an Assistant Dean of his Faculty, the Director of Centre of Education and Training of his Department, and the Director of Trauma Service of his Hospital. He is also the Region XVI Chief (Asia-Australasia) of the Advanced Trauma Life Support (ATLS) Programme of the American College of Surgeons, and a Governor of the College's China-Hong Kong Chapter. He teaches as a traveling faculty in low-/middle-income countries for the Asian Australasian Congress of Neurological Surgeons.

He provides clinical service as an Honorary Consultant Neurosurgeon at Queen Mary Hospital, Hong Kong. His clinical and research interests include endoscopic skull base surgery, neurotrauma, molecular biology of brain tumours, neuroregenerative therapy as well as medical education, law and ethics. He has supervised 12 past or current post-graduate students, focusing on clinical and translational researches in neuroscience. He has authored/co-authored 151 peer-reviewed journal articles, 9 book chapters, 2 monographs, 117 conference papers, 46 other publications, and delivered 100 invited lectures.
